PARTNER

GRAPE VARIETY: CHARDONNAY

SOIL: CLAY-LIMESTONE

YIELD : 40-50 HL/HECTARE

ALCOHOL CONTENT : 14,5%

WINEMAKING: SKIN MACERATION WITH TEMPERATURE CONTROL

Very beautiful light yellow color with green reflections. Intense and distinctive nose with a very nice complexity and light smoky notes. Harmonious palate with a very nice balance that takes us through aromas of citrus, peach, pear, and mild spices. Elegant aging with subtle woody notes. Very beautiful silky and persistent finish.

Medals:

Pending the results of competitions, guides and ratings from national and international trade magazines.

BEST SOMMELIER OF THE WORLD

WINEMAKER OF THE YEAR 2015
