75CL

*Réserve*  
PARTNER

GRAPE VARIETIES : SYRAH, GRENACHE,  
SOIL : CLAY-LIMESTONE  
YIELD : 30-40 HL/HECTARE  
ALCOHOL CONTENT : 13,5%  
WINEMAKING : SKIN MACERATION WITH TEMPERATURE CONTROL

Very beautiful light lychee-colored color with subtle blue highlights. Fine, intense nose with notes of small red fruits, which are found on the palate as well, very well balanced, harmonious, and slightly tangy. Elegant fruity finish with a lovely aromatic persistence, slightly salty.

### Medals:

Pending the results of competitions, guides and ratings from national and international trade magazines.

BEST SOMMELIER OF THE WORLD

WINEMAKER OF THE YEAR 2015
